Walcha Central School students are lucky to have the opportunity to bank at school every Tuesday. A representative from the Commonwealth Bank visits before school from 8.30 - 9am each Tuesday (so that students can enjoy their recess time) in the primary building corridor where students are able to present their passbooks and deposits for processing.

The Commonwealth Bank rewards students who bank on a regular basis with prizes and also donates money through our P&C which is used to purchase educational resources for the classrooms.

New students are welcome and can collect their banking packages from school.
